Unlimited Use of a Shared (single) Tahoe Donner Rental Cart: \$375.00

Unlimited Use for Two (double) Tahoe Donner Rental Cart: \$700.00

Your valid Tahoe Donner member ID card must be presented to the Golf Shop staff each time you register to play. TD members who purchase a season pass for unlimited use of a shared cart have, in essence, purchased one seat on the cart, and are therefore obligated to share the cart with another rider when applicable. Unless the other rider has also purchased a season cart pass (private cart or TD rental cart), they are expected to pay the appropriate cart fee in the golf shop for sharing the cart. The golf course starter on duty will record the cart number at the time of use and will monitor who rides on the cart. For TD members who purchase a cart pass for two (double), both members are expected to ride together in the same cart when golfing together. If they split up, then the same rules apply regarding sharing the cart, at the applicable fee, with another rider.

No full or partial refunds, or other considerations, will be given should you be unable to use your entire golf package, or should you sell your property during the 2011 golf season.

I have read and understand the golf play package guidelines and the reservation and cancellation policies, and agree to abide by them.
