

\$10 MILLION FOR NEW TAHOE DONNER SKI LODGES?

At the April 16th Board meeting I asked four of the Board of Directors to approve a membership survey related to the \$10 million expenditure for two new ski lodges. As this was a discussion only agenda item the Board did not take any action on my request but three of them did say they preferred other ways to get input on the issue instead of a survey, or words to that effect. If you haven't already done so, I suggest you read the General Plan, which can be accessed on the TD home page, and let the Board, GM, and the General plan Committee know your thoughts.
