

Tahoe Donner

Set amid the natural splendor of forest and streams, the Tahoe Donner Golf Club enjoys a well-deserved reputation as one of the premier golf courses in the High Sierra. Open for play in 1976, Truckee's original championship course was built and designed by Roy Williams, who designed the front nine, and then completed and refined by famed architect, Billy Bell, Jr., who designed the back nine. In 2006, this hidden gem was reborn thanks to an extraordinary course renovation project directed by architect Cary Bickler. The renovation was so spectacular that in 2007 the course was nominated by Golf Digest Magazine for Best Remodeled Golf Course in America. Located just minutes off Interstate 80 in Truckee, CA, the course property is cradled among towering pines, and features meandering creeks, granite rock formations, elevation changes, and greens so consistently pure that they have been recognized for being the "Best Greens in the Tahoe Region."

- The facility is a Certified Audubon Cooperative Sanctuary, with environmentally sensitive areas throughout the course defined by hazard stakes with green tops. **The environmentally protected areas are not to be entered for any reason.**
- Please respect your fellow golfers and our wonderful golf course by repairing ball marks, replacing and sanding your divots with divot repair mix, and raking bunkers. Please leave the rakes in the bunker with the handle perpendicular to the bunker edge.
- Appropriate golf attire must be worn at all times. Men must have a collared shirt (approved mock golf shirts permitted). Women must wear either a collared shirt or a shirt with sleeves. No tank tops, halter tops, cut-offs or gym shorts. This is a soft spike facility.
- All food and beverage must be purchased from the golf course snack bar or the Lodge.

Golfers are encouraged to phone in their food orders from the phone booth adjacent to the 9th tee prior to teeing off on the 9th hole. A menu is posted inside the phone booth. Food and beverage purchases between the nines is limited to five minutes; those exceeding five minutes shall lose their position and standing on the golf course.

- Each player must have their own set of clubs.
- Cart paths only on hole #1, #18 and all par 3's.
- Keep up with the group ahead by playing "ready" golf. One slow group can back up an entire golf course, so please show other golfers the same respect you expect to receive from others. The recommended pace of play as published on the scorecard will be maintained by the course marshals.
