April 15, 2018 Downhill Dummy Registration

Location: Downhill Ski Area

One of Tahoe Donner's longest running traditions; the Downhill Dummy is the premier "end of season" event. Teams build unique dummies to send sliding down the hill and off our massive jump. The results are always spectacular! All teams' dummy entries will be judged in three categories, Best Design, Best Air, and Best Crash. Prizes will be awarded in all three categories. This year's theme is "Super Heroes."

Rules and Restrictions

- Maximum weight of 75 lbs
- No pyrotechnics or flame of any kind allowed
- No living passengers allowed
- Dummies must not be motorized in any way, only the power of gravity is allowed
- Get creative!
