

# TAHOE DONNER GOLF COURSE

## DO YOUR PART AND STOP SLOW PLAY

- Play "ready golf."
- Limit time spent looking for lost balls.
- Play the appropriate tees based on your ability level.
- To be on pace, you must be within one stroke of the group in front of you. Slow groups may be asked to move ahead to get back in position.

## LOCAL RULES

- Improved Private Property Rule: If your ball comes to rest on improved private property, you may take a drop within one club length of the area of nearest relief, no closer to the hole. Relief is given only to move the ball off the improved property, and not for the purpose of gaining an improved lie. The group should all agree on the place of the drop.
- All hazard types are marked with the appropriate stakes. Where mow lines exist, the margin of the hazard is designated by the mow line.
- You may take relief from all man-made rock walls that interfere with your stance or swing. Relief is within one club from your nearest point of complete relief, no closer to the hole.
- Rule 24-2 is amended to include relief for immovable obstructions close to the putting green (e.g., sprinkler heads) as described in Appendix 1, A and 4a: Local Rules.
