

# When seconds count, you can count on

CodeRED is a **FREE** emergency notification service provided to all residents within **Nevada County** that will notify you of emergency information through **phone calls, text messages, emails and social media**. The system will be used to keep you informed of local events that may immediately impact your safety. As a local resident, **Nevada County Office of Emergency Services** encourages you to take action and register your cell phone for this service and verify your home location during the enrollment process so we may target notifications that directly impact your home or business.
