- ✓ Drop off at the Downhill Ski Area Parking Lot.
- ✓ Regular Hours (12PM), pick up at the Downhill Ski Area Building (lower level building). Please be sure to park off to the side, so other vehicles can drive through the loop.

- ✓ All children must be potty trained to attend camp. Children in pull-ups will not be permitted to attend camp.
- ✓ Be sure to apply waterproof sunscreen and bug spray daily before arriving to camp, your child will need to re-apply throughout the day. Camp staff will help if necessary.
- ✓ Your child should have a backpack, a water bottle, snacks, a lunch (if attending extended care) sunscreen, and a hat daily. If the weather is chilly in the morning, please provide a sweatshirt. Please check with your camp Leader at pick up each day for anything else they may need for the following day, such as a swim suit and a towel.
- ✓ Parents will receive a camp schedule for the week, please be aware of what they may need to bring or wear to camps. If child is swimming on a certain day, please dress them in their swimsuit before drop off. This will make it much easier for everyone. You can pack spare clothes.
- ✓ Please keep sick children at home as illness spreads quickly amongst staff and other campers.
- ✓ Please do not send any money to camp with your child. If they would like to purchase anything at a snack bar we ask that they wait until after camp.
- ✓ Each day includes crafts, games, songs and tons of fun! Field trips to various amenities and locations take place throughout the week. Be sure to read the camp schedule which is distributed on the first day of camp for details!
