

TAHOE DONNER GIVING FUND THANKS DONORS

Since the Tahoe Donner Giving Fund (TDGF) began to accept contributions in December 2014, there have been a total of 70 individual contributors amounting to \$15,909. Events and clubs at Tahoe Donner generated another \$4,584 and our founding sponsor, Waltman Construction, contributed \$4,514 which paid for all of our startup costs and more.

This generosity allowed the TDGF to grant a \$1,000 scholarship to a 2015 Truckee High School graduate and nearly \$12,000 to five worthwhile local organizations: Tahoe Food Hub, Boys and Girls Club of North Tahoe, Truckee Community Theater, Arts for the Schools and SOS Outreach. There were also seven pass through donations where

donors specified the recipient of their contribution amounting to \$1,600 to six different non-profits.

We plan to grant two \$2,000 scholarships in 2016 to graduates of the Truckee Tahoe Unified School District and will participate in the Tahoe Truckee Community Foundation grant process again this fall.

“The TDGF operations and grant committee has done a great job of organizing and launching the Giving Fund,” said Steve Miller, Tahoe Donner’s board president. The committee has openings for additional volunteers; contact TDGF@TahoeDonner.com to find out how you can help.
