

WALTMAN DONATES TO GIVING FUND

The results are in! Customer response to contracting new driveway sealings in August helped contribute to the community via the Tahoe Donner Giving Fund (TDGF).

The Waltman team, as a founding partner of the TDGF, was extremely pleased to donate \$3,814 to the fund last month. Much of this was directly related to additional customer calls referencing the promotion. Waltman and the TDGF thank you!!

FREE PAINT DROP-OFF EVENT OCTOBER 17

Thanks to the Town of Truckee and Truckee Tahoe Airport, and the non-profit organization PaintCare, households and businesses in the Truckee area can dispose of paint at no cost on Saturday, Oct. 17. The event will be held at the Truckee Tahoe Airport from 9 a.m. to 1 p.m., and will accept most types of paint, stain and varnish. Containers must have original labels; sorry, no aerosol spray paints or other hazardous waste or chemicals (such as paint thinner, solvents, motor oil, etc.) will be accepted.

For more details and a full list of what will be accepted and what will not be accepted, please visit tinyurl.com/paintdropoff.

PaintCare is an organization created by paint manufacturers to set up convenient places for households and businesses to recycle leftover paint. To learn more, see paintcare.org.
