

For Immediate Release

Tahoe Donner's Alder Creek Cafe Opens for Dinner

Enjoy a unique dining experience every Friday and Saturday night featuring a mountain casual dinner menu with healthy, locally sourced ingredients prepared by Chef David Smith

Truckee, Calif. (December 19, 2018) – Tahoe Donner announced today that [Alder Creek Cafe](#) will now be open for dinner on Friday and Saturday nights from 5-8 p.m. starting December 21 through the end of March.

Due to the recent success of the Cafe's Edi-Böl dinner series and its pop-up beer pairing dinners, Chef David Smith was inspired to offer the local community with a new counter service dining option in Tahoe Donner as an alternative to more crowded choices downtown.

"Our clientele enjoys the comfortable ambience of Alder Creek Cafe combined with homemade, healthy menu options and friendly staff," said Smith. "We're excited to debut the new winter dinner menu this Friday and look forward to providing our customers with something different on weekends."

Featured menu items will include small plates like the Caramelized Truffled Brussel Sprouts and fresh salads like the Roasted Beet or Gem Lettuce Salad with mandarin oranges, Point Reyes blue cheese and candied pecans. Savory entrée options include the Cabernet Braised Pot Roast, Thai Red Curry Bowl and Seared Ahi Tuna. Kids menu items and vegetarian options will also be available.

Located in the Alder Creek Adventure Center, Alder Creek Cafe offers organic, seasonal and locally sourced meats and produce when possible. The Trailside Bar offers a variety of unique draft and bottled beers, as well as a diverse wine list with several eco-friendly choices.

The Alder Creek Café is located at 15275 Alder Creek Road in Truckee, California. Visit tahoedoner.com for lunch and dinner menus and hours of operation. View the [Winter Dinner Menu](#) online.
