

PHASE 1: POOLSIDE

EARLY 2019, EST. 6 MONTH CONSTRUCTION

PHASE 2: GYMSIDE

MID-2019, EST. 8 MONTH CONSTRUCTION

TROUT CREEK RECREATION CENTER REMODEL PLAN

WHY ARE WE DOING THIS REMODEL?

- Growth and overcrowding
- Safety, comfort and member experience
- Increase usable space

HOW WILL CONSTRUCTION AFFECT MY WORKOUT?

In Phase 1, there will only be minor impacts, including a temporary entrance at the west side of the building. In Phase 2, we will relocate equipment and classes to meet as many member fitness needs as possible.

PHASED CONSTRUCTION

PHASE 1–POOLSIDE Start: January 2019 Est. 6-month construction	PHASE 2–GYMSIDE Start: Mid-2019 Est. 8-month construction
---	--

COST

- \$2.4 million estimated cost, including mandatory ADA improvements
- Funded by Development Fund and Replacement Reserve Funds

Note: Kids Club Day Care may be closed during construction. Updates to follow.
