

# THE LODGE RESTAURANT & PUB

Wedding Information | 2019

## CEREMONY AND RECEPTION SITES

### SUMMER/AUTUMN

**THE PAVILION AREA AND TENT** | Located just outside the restaurant, this area offers a beautiful arbor overlooking the wooded mountains. Say I do right on the grass and then enjoy cocktails and appetizers al fresco followed by your reception in the adjacent tiled Pavilion. The spacious peaked tent, luxuriously draped with pleated white linen, is compatible with any style of décor and clear side panels let the outside in. Can accommodate up to 240 guests.

**THE GROTTO** | This area provides a more intimate ceremony, cocktail party or sit-down dinner space for your event. It has a water feature, café lighting and also provides lovely photo opportunities. Can accommodate up to 60 guests.

### WINTER/SPRING

In the winter months The Lodge's indoor areas are cozy and inviting. Huge picture windows capture the dynamic view, which is especially stunning in winter when the surrounding trees and mountains are dusted with snow. Our indoor facilities can accommodate up to 65 guests.

**THE SAGE, ASPEN, AND ALDER ROOMS** | The interior of The Lodge Restaurant & Pub offers comfortable settings for rehearsal dinners or small receptions. Both the Sage and Aspen Rooms overlook the 18th green, and the Aspen Room has a warming fireplace. The attractive downstairs Alder Room is a private reception option for any season. And last but not least, The Lodge Pub is available as a fun spot for the after-party.

## FREQUENTLY ASKED QUESTIONS

### 1. Is there an onsite wedding planner?

No. Once we enter into a contract, the banquet and event manager will work with you to guarantee numbers and coordinate set-up for your event, as well as help with general guidelines and timing. All other details, (i.e. florist and DJ) and any specific details (first dance, centerpiece set-up/breakdown etc.) are items you would need to work out directly with your vendors.

### 2. What are the tent dimensions?

The tent is 40 by 80 feet.

### 3. What is inside the tent?

The tent is a blank space for you to work with. There is a white chiffon liner and décor can be customized.

### 4. Are there lights in the tent?

Yes, there are three kinds of lights featured inside the tent, including market lights, rope lights that border the tent, and LED uplights.

### 5. What time does the party stop?

Outdoor, amplified music needs to stop at 10 p.m. per Tahoe Donner noise ordinance regulations. The party can be moved into the Pub from 10 p.m. to 12 a.m. at no additional charge.

### 6. What do you provide?

The Lodge provides tables, chairs, flatware, glassware, china, standard linens, square glass votives, dance floor, lighting, set up/breakdown service and labor.

### 7. What sizes are the tables?

We seat guests at 6-foot rounds in groups of 8 or 10. We also have 6-foot banquet tables for head table, gifts, guest book, and dessert bars.

### 8. What kind of chairs do you have?

We have white resin folding chairs with padded seats for the ceremony and reception.

### 9. What linens do you provide?

We provide floor-length white tablecloths and napkins. Specialty linens are available at an additional cost.

### 10. What do I need to rent on my own?

Any additional items you'd like for your event (i.e. furniture, additional lighting, specialty linens) are available for an additional charge.

### 11. Can we have a rehearsal the day before?

Yes, you are welcome to do a rehearsal the day before your event. However, this needs to be scheduled around previously booked events taking place at The Lodge.
