VISION STATEMENT

Tahoe Donner is a vibrant and desirable mountain community providing attractive and well-maintained facilities, events, programs and leading customer service to its members, guests and public, all while maintaining accessible and healthy natural surroundings.

Dear Members,

The purpose of this 2018 Annual Report is to provide a comprehensive report on 2018 financial results and to communicate the 2018 Audited Financial Statements and Independent Auditors Report to all members.

Management, the Finance Committee and the Board consistently monitor both operational and financial results. We are committed to both responsive and proactive management, balancing our service levels to volume and financial performance.

Please contact me anytime to discuss this report or any other financial aspects of your association.

KEY NOTES

Capital Funds Portion of Annual Assessment

- The Replacement Reserve Fund portion has been deliberately increased over time to improve the reserve funding level of our over-45-year-old association. Underfunding reserves is considered the bane of many associations across the country. We adopted a reserves funding policy and recent boards have adhered to this policy. Your association's reserves are now in a much stronger financial position to handle the replacement and major maintenance needs of the association's assets.
- The Development Fund portion was held at \$250 for six years (2011-2016) and we are now increasing to recognize the known future funding requirements. This funding is for eventual building replacements due to functional obsolescence and for new facilities or other new major projects due to the changing needs of membership.
- More historical information on Capital Funds, see pages 10-11.

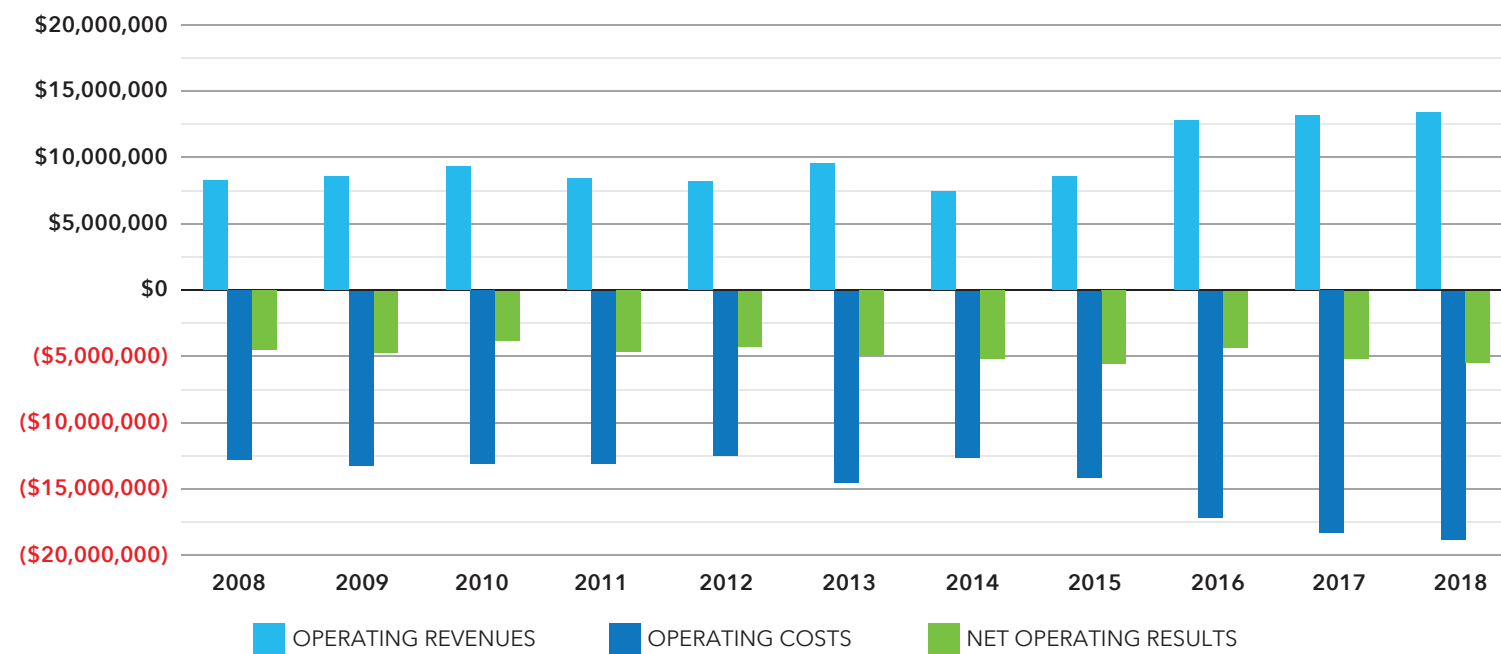

Operating Fund Portion of Annual Assessment

- The Operating Fund portion was held flat for four years (2009-2012), with strong visitation and revenue growth and no droughts.
- The Operating Fund portion increased from the 2013-2016 era due to the combined pressures of winter drought's impact on operating revenue expectations and payroll cost increases due to California minimum wage increases and the Federal Affordable Care Act impacts.
- For 2017, 2018 and 2019, the Operating Fund portion was *decreased* due to favorable revenue trends, our snowmaking investment, price increases, as well as a favorable decrease in workers compensation costs, all favorably offsetting the California minimum wage increases.
- More historical information on the Operating Fund, see page 4.

ACTUAL RESULTS

Record revenues and record costs in 2018 (and 2017). 2018 Resulting NOR Loss of \$5.5 million compares to \$4.6 million in 2008 Actual, a **1.7% 10-year CAGR (5.4% Revenue, 4.2% Costs)**. For 2013 to 2018 Actuals, the CAGR for NOR Loss is 1.8% (7.0% Revenue, 5.3% Costs). NOTE: Each year is subject to volatility due to weather and other variables. See page 24 for Budget growth information.

MEMBERS' EQUITY - OPERATING FUND

ACCUMULATED NET RESULTS, CONTINGENCY

FROM THE 2008 BUDGET TO THE 2018 BUDGET 10-YEAR CAGR

- 4.4% OPERATING REVENUE GROWTH
- 4.2% OPERATING COSTS GROWTH
- 3.6% NET OPERATING RESULT LOSS (THIS LOSS EQUATES TO THE RESULTING ANNUAL ASSESSMENT)

See page 24 for more Budget Growth Information

Costs are greater than Revenues (every year) and the Costs have grown at a slightly lower growth rate. Therefore, the resulting NOR Loss growth rate is lower than both Revenue and Costs growth rate.

FOR 2019 BUDGET

The strong financial performance in 2016, 2017 and 2018 combined for a substantial

increase in operating revenue expectations for the 2019 Budget. (The 2017 Budget was \$11.0 million, the 2018 Budget was \$12.5 million and the 2019 Budget is \$14.1 million). This is due in large part to the snowmaking investment at Downhill Ski Resort, which favorably reduces the operating fund.

NET RESULTS AFTER REPLACEMENT RESERVES CAPITAL CHARGE BY DEPARTMENT

Net Operating Results (NOR) is defined as the net result of operating revenues less cost of goods sold and operating payroll and expenses.

Net Results after Reserves Capital Charge is NOR plus a Replacement Reserves Capital Charge. This chart's data points.

All amenity department amounts do not have allocated overhead for administrative, accounting, human resources and IT support costs.

Refer to pages 6 and 7 for additional details.

GOLF

NOR LOSS (\$113,147)

UNFAVORABLE -\$15,147 / 15% TO BUDGET

Despite opening seven days earlier than 2017, average business levels were impacted by cold temps in June and smoke impacts in July and August.

ANNUAL: Rounds down 10%; Revenue down \$47,000/4% (up \$32,000/3% to last year); Costs down \$32,000/3%

ALDER CREEK CAFE

NOR LOSS (\$109,529)

FAVORABLE \$6,771 / 6% TO BUDGET

ANNUAL: Visits up 19%; Revenue up \$75,000/24%; Costs up \$68,000/16%

PIZZA ON THE HILL

NOR LOSS (\$74,431)

UNFAVORABLE -\$16,631 / 29% TO BUDGET

Cost increase due primarily to volume increase, as well as CA minimum wage increase and service levels increase.

ANNUAL: Visits up 11%; Revenue up \$67,000/13%; Costs up \$84,000/14%

THE LODGE

NOR \$28,822

FAVORABLE \$182,822 / 119% TO BUDGET

Banquet events pricing increases and menu pricing increases favorably offset cost increases driven primarily by CA minimum wage increase.

ANNUAL: Visits of 53,550, down 2% to budget and down 11% to last year; Revenue of \$2.53 million (record) up \$235,000/10% (up \$90,000/4% to last year); Costs of \$2.51 million up \$51,000/2% (down 1% to last year)

REPLACEMENT RESERVE FUND

MEMBERS' EQUITY (YEAR-END FUND BALANCE) + PERCENT FUNDED

- The Replacement Reserve Fund is the capital reserve fund for existing asset components of the Association. This is a savings fund utilized to replace and preserve assets of the Association as they depreciate over time. There are over 2,000 components in the reserve study, which is updated every year, and a complete physical inspection of all components is performed every three years.
- The Association has a Replacement Reserve Fund policy which provides for a target minimum of 25% funded.*
- The reserve study does not include the replacement of existing buildings, see Development Fund below.**
- The funding level from the annual assessment generally needs to increase each year to keep pace with inflation.
- The Association has a fiduciary duty to adequately reserve for the preservation of assets, which ultimately protects property values.
- The board of directors approved \$1,500,000 (2017) and \$500,000 (2018) transfers from Operating Fund members' equity to this fund.
- The 2018 assessment funding level was \$620 per owner or \$4,013,000, an increase of 4% over 2017.
- The 2019 assessment funding level was \$720 per owner or \$4,661,000, an increase of 16% over 2018.

*Percent (%) Funded is the measure of the fund balance to the Fully Funded – 100% funded reserve study amount. The Fully Funded – 100% balance is total accrued depreciation. An indicator against which actual (or projected) reserve balance can be compared. The direct proportion of the fraction of life "used up" of the current repair or replacement cost. This number is calculated for each component and summed together for the Association in total. Refer to the 2019 Budget Report for more information on the reserve study.

DEVELOPMENT FUND

MEMBERS' EQUITY (YEAR-END FUND BALANCE)

- The Development Fund was established as authorized in the governing documents of the Association to accumulate funds for large-scale projects identified as necessary due to the new capacity requirements or changing needs of the Association.
- The Association Master Plan guides the prioritization of the numerous projects identified for Development Fund expenditure. This Plan is actively being updated, led by the board and the General Plan Committee, including numerous member open meetings on this subject, articles in *Tahoe Donner News* magazine and on our website, tahoedonner.com.
- In 2017, the board of directors approved a \$1,800,000 transfer from Operating Fund members' equity to this fund.
- The 2018 assessment funding level was \$310 per owner or \$2,007,000, an increase of 3% over 2017.
- The 2019 assessment funding level was \$335 per owner or \$2,168,000, an increase of 8% over 2018.

CAPITAL EXPENDITURES

CAPITAL FUNDS

EXPENDITURES BY YEAR

10 YEAR TOTAL = \$46.0 MILLION

Ten-year total spend of \$46.0 million equates to an average of \$4.6 million in capital fund expenditures per year. The 10-year average of depreciation expense is \$2.6 million per year for a total of \$26 million. Note that many high-age assets are fully depreciated and now have no annual depreciation expense. The net effect is a growth in net fixed assets; over the 10 years the CAGR of 4.2% in net fixed assets.

Net fixed assets grew from \$28 million at the end of 2008 to \$42 million at the end of 2018. Bottom line – reinvesting in the association, the net fixed assets value grew at a 4.2% growth rate.

This, as opposed to limited or less capital spend, would have equated to flat or a decline in net fixed assets.

THE BOARD HAS A FIDUCIARY RESPONSIBILITY (BY LAW) TO DO WHAT IS BEST FOR THE ASSOCIATION, BOTH NOW AND FOR THE FUTURE. CURRENT OWNERS HAVE THE RESPONSIBILITY TO PAY FOR THE DEPRECIATION OF ASSOCIATION ASSETS, NOT TO DEFER THE BURDEN TO FUTURE OWNERS. PROPERLY MAINTAINING OUR ASSETS PROTECTS OWNERS' PROPERTY VALUES.

CAPITAL INVESTMENT OVER THE 10 YEARS INCLUDES:

\$25.9 million in replacement and major repairs of existing assets (per reserve study plan)

- \$2.6 million per year 10-year average, maintaining existing asset components (depreciation average is \$2.6 million)
- \$2.2 million per year 1st 5 years average, maintaining existing asset components
- \$3.0 million per year 2nd 5 years average, maintaining existing asset components
- The increase from 2008-2012 to the 2013-2017 average is due to the overall aging of assets, the impact of Development Fund projects on related reserve components, and the 2018 replacement of Snowbird chairlift for \$1.4 million (A).

\$18.3 million in Development Fund capital investments, including:

- Euer Valley land 482 acres (2012)
- Forestry building and 20 acres (2012)
- The Lodge expansion – kitchen, covered porch and pro shop (2013)
- Alder Creek Adventure Center building (2014-2015)
- Downhill Ski Area snowmaking investment (2014)
- Solar projects at three locations (2015-2016)
- Equestrian campus relocation and upgrades (2015-2016-2017)
- Crabtree Canyon land 640 acres (2016)
- Alder Creek Adventure Center exterior storage building (2017)
- Equestrian campus improvements, Eagle Rock Chairlift building improvements (2018)

\$1.7 million in New Equipment Fund capital investments

\$173,000 per year average

REPLACEMENT RESERVE FUND

29% FUNDED

Replacement Reserve Funds as of 12/31/2018 ratio to Replacement Reserve Component total costs on 100% Funded Method calculation. See page 10 for by-year trends.

\$4.6 MILLION | 2018 Expenditures

- \$1,425,000 DOWNHILL SKI Snowbird Chairlift replacement
- \$370,000 DOWNHILL SKI grooming snowcat replacement
- \$361,000 INFORMATION TECHNOLOGY equipment and software
- \$325,000 CROSS COUNTRY SKI grooming snowcat replacement
- \$321,000 FORESTRY defensible space and equipment
- \$269,000 AQUATICS pools and spas surface/tile replacement and equipment
- \$152,000 GOLF COURSE cart path asphalt, range and course maintenance equipment
- \$121,000 TRAILS summer maintenance
- \$120,000 ADMINISTRATION fund direct payroll allocation
- \$94,000 ADMINISTRATION vehicle replacements
- \$76,000 DOWNHILL SKI rental shop fleet replacements

The Replacement Reserve Fund is used to account for financial resources designated for the repair, restoration, replacement, or maintenance of, or litigation involving repair, restoration, replacement or maintenance of, major components which the Association is obligated by state law and sound business practices to repair, restore, replace or maintain. A 30-year reserve funding and expenditure plan is produced every three years, and updated annually, to schedule and analyze the funding and expenditure needs. Over 2,000 individual items are tracked in this plan, with a current replacement value of \$56 million. A

REPLACEMENT RESERVE FUND CONTINUED

complete study and plan was performed in 2016 and is updated annually.

The year-end fund balance increased by \$162,000 or 2%. In 2018 \$500,000 was transferred in from the Operating Fund. These transferred in funds were generated by favorable net operating results by the Operating Fund. The transfer amount to this fund was due primarily to the planned large expenditure to replace the Snowbird Chairlift in 2018.

DEVELOPMENT FUND

\$533,000 | 2018 Expenditures

- \$62,000 DOWNHILL SKI Eagle Rock Chairlift shrouding and teaching zone improvements
- \$99,000 EQUESTRIAN campus improvements
- \$185,000 ADMINISTRATION fund direct payroll allocation
- \$79,000 TROUT CREEK RECREATION CENTER expansion

The Development Fund is specifically intended for and authorized in the governing documents of the Association. The Development Fund was established to accumulate funds for use in the development of, and additions to, facilities identified by the board as necessary due to new capacity requirements of the Association, or the changing needs of the community.

The Development Fund includes funds accumulated for the specific purpose of replacing existing buildings, as only certain components of buildings are in the Replacement Reserve study.

The year-end fund balance increased by \$1.6 million or 41%. Savings in this fund are primarily for the anticipated known need to address the aging (48 years old) Downhill Ski Lodge skier services building.

NEW EQUIPMENT FUND

\$184,000 | 2018 Expenditures

- \$29,000 NORTHWOODS CLUBHOUSE HVAC
- \$27,000 ALDER CREEK ADVENTURE CENTER cellphone signal booster
- \$27,000 TRAILS 4x4 ATV with specialty attachments
- \$19,000 IT hardware and software
- \$8,000 THE LODGE RESTAURANT & PUB EMV compliant hardware
- \$7,000 AQUATICS UV Disinfection system
- \$6,000 BEACH CLUB MARINA asphalt/gate improvements
- \$4,000 SECURITY equipment

The New Equipment Fund is used to account for financial resources designated for the acquisition of new assets identified as necessary for the Association to be more efficient in operations or to provide new services to the membership.

The year-end fund balance increased by \$13,000 or 13%.

PROPERTY FUND

The Property Fund is used to account for the Association's investment (by other capital funds) in its fixed assets once they are placed into service. Capital additions to fixed assets totaled \$4,319,000 (in 2017 \$2,851,000). Depreciation expense for the year totaled \$3,284,000 (in 2016 \$3,118,000).

Total gross fixed asset value of \$79.8m equates to \$12,328 per owner and net book value of fixed assets and construction in progress of \$41.5m equates to \$6,420 per owner (an increase of 2% to 2017).

The Board has a **fiduciary responsibility** (by law) to do what is best for the Association both now and for the future. Current owners have the responsibility to pay for the deprecation of Association assets, not defer the burden to future owners. Properly maintaining our assets protects owners' **property values**.

STATEMENT OF LEGAL COMPLIANCE

A number of state laws and provisions of its own Governing Documents dictate how Tahoe Donner Association is to manage its financial affairs. Financial reporting, what books and records are to be maintained, how operating and capital needs are determined and funded, how budgets are established, and how member assessments are determined and collected are generally the areas regulated in the financial arena. These regulations can be found in the Association's Covenants and Restrictions ("C&Rs") and Bylaws, as well as the Civil Code and the Corporations Code. After a review of these regulations and our practices, the Association Counsel has determined that the Association is in substantial compliance with these requirements.

INDEPENDENT AUDITOR'S REPORT

An independent auditor's report, prepared by Gilbert Associates, and associated financial statements are on pages 15–23 of this Annual Report.

INDEPENDENT AUDITOR'S REPORT

BOARD OF DIRECTORS TAHOE DONNER ASSOCIATION TRUCKEE, CALIFORNIA

We have audited the accompanying financial statements of Tahoe Donner Association (Association), which comprise the statements of financial position as of December 31, 2018 and 2017, and the related statements of revenues, expenses and changes in members' equity, and of cash flows for the years then ended.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tahoe Donner Association as of December 31, 2018 and 2017, and the changes in its members' equity and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

OTHER MATTERS

Accounting principles generally accepted in the United States of America require that the information on future major repairs and replacements on page 23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by generally accepted accounting principles, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

1 OPERATIONS

Tahoe Donner Association (Association) is a California nonprofit mutual benefit corporation. The Association's members own the 6,473 membership properties within the Tahoe Donner subdivision in Truckee, California. The Association was organized to provide management services and maintenance of certain common areas owned by the Association. A significant portion of revenue is derived from the assessment of member dues.

The Association operates and maintains facilities, which include a golf course and pro shop, restaurant, downhill ski area, clubhouse, Nordic ski area, beach and marina area, equestrian center, campground, tennis facilities, recreation complex, pools and parks.

Revenues are derived from member and non-member usage of these facilities.

The Association's Board of Directors is comprised of five members elected to serve three-year terms by a vote of the members. The board of directors governs in accordance with the Association's bylaws and declaration of covenants and restrictions. The board of directors establishes members' dues and user fees, and has the ability to enter into long-term contracts. Along with other actions, closing an Association amenity (as defined by the governing documents) requires a vote of the members.

2 SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION – The Association's governing documents provide certain guidelines for governing its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

OPERATING FUND – Used to account for financial resources available for the general operations of the Association.

REPLACEMENT RESERVE FUND – Used to account for financial resources designated for the repair, restoration, replacement or maintenance of, or litigation involving repair, restoration, replacement or maintenance of, major components which the Association is obligated to repair, restore, replace or maintain and for which the replacement reserve fund was established.

NEW EQUIPMENT FUND – Used to account for financial resources designated for the purchase of new machinery, equipment, furnishings and fixtures.

DEVELOPMENT FUND – Used to account for financial resources designated for use in the acquisition and enhancement of facilities, equipment and other resources.

PROPERTY FUND – Used to account for the Association's investment in its common property and equipment, and other Association real property.

ASSESSMENT REVENUE – Association members are subject to annual dues to provide funds for the Association's operating expenses, major repairs and replacements, development and purchase of new equipment. Assessment revenue is recognized in the assessment period. Assessments received in advance are deferred until earned. The Association has the right to suspend certain membership rights and pursue collection through foreclosure action. Bad debts are recognized when an account's collectability is uncertain.

ACCESS AND USE FEE REVENUES – Daily fees are charged for access to and use of Association amenities. As an alternate to daily fees, the Association sells recreation passes to members that entitle them to use of various amenities. Revenues from these sales are allocated to the various amenities based upon recreation pass usage.

CASH consists of cash on hand, demand deposits at banks and money market funds.

The Association minimizes credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. The balance at times may exceed federally insured limits. As of December 31, 2018 and 2017, cash balances exceeded federally insured limits by approximately \$825,000 and \$548,000, respectively. The Association has not experienced any losses in such accounts and management believes the Association is not exposed to any significant credit risk related to cash.

INVESTMENTS consist of debt securities and certificates of deposits, which are carried at amortized cost as the Association has the positive intent and ability to hold all debt securities and certificates of deposit until maturity.

INVENTORIES consist of food and retail goods and are stated at the lower of average cost or market.

PROPERTY AND EQUIPMENT of the Association includes certain facilities and land contributed by Dart in prior years. These assets are reflected in the accounts at the developers' cost basis. Purchases are stated at cost. The Association capitalizes all expenditures for property and equipment in excess of \$2,000. Depreciation is computed using the straight-line method over estimated useful lives of individual assets ranging from 3 to 60 years. These assets are recorded directly in the property fund.

Approximately 3,000 acres of undeveloped non-common area real property owned by the Association is controlled by the Association's declaration of covenants and restrictions, and bylaws.

INTEREST INCOME is allocated to the operating, replacement and

(Continued on next page)

(Continued from previous page)

reserve, new machinery and equipment and development funds in proportion to the interest-bearing assets of each fund.

DEFERRED REVENUE represents funds received for assessments and recreation passes during the current year, which are applicable to the following year.

INCOME TAXES – The Association is generally exempt from federal income taxes under Internal Revenue Code 501(c)(4). For California purposes, the Association is taxed as a regular corporation. As a membership organization, the Association is generally taxed only on non-member income, such as advertising revenue and golf and ski ticket sales to the public, at regular federal corporate tax rates. The Association has applied the accounting principles related to the accounting for uncertainty in income taxes and has determined there is

no material impact on the financial statements. With some exceptions, the Association is no longer subject to U.S. federal and state income tax examinations by tax authorities for years prior to 2014.

USE OF ESTIMATES – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

SUBSEQUENT EVENTS have been evaluated through March 15, 2019, the date the financial statements were issued. Management concluded that no material subsequent events have occurred since December 31, 2018 that require recognition or disclosure in the financial statements.

3 CASH AND INVESTMENTS

At December 31, the Association's cash and investments consisted of undesignated, designated and restricted accounts as follows:

	2018	2017
Replacement Reserve Fund - designated	\$ 11,879,903	\$ 11,380,557
Development Fund - designated	5,991,735	4,346,399
New Equipment Fund - designated	178,482	168,867
Operating Fund - undesignated and unrestricted	5,619,298	5,869,747
Operating Fund – Trust – restricted (note 7)	81,051	110,257
Operating Fund - Architectural standards deposits - restricted (note 5)	256,565	235,139
TOTAL	\$ 24,007,034	\$ 22,110,966

Board designated funds in the replacement reserve fund cannot be expended for any purpose other than the repair, restoration, replacement or maintenance of, or litigation involving repair, restoration, replacement or maintenance of, major components which the Association is obligated to repair, restore, replace or maintain and for which the replacement reserve fund was established as mandated by state law.

Designated funds in the development fund are controlled by board-adopted policy that affords the board discretion in expenditure, except where member approval is required in connection with the intended project.

Since the Association has the positive intent and ability to hold investments until maturity, they are carried at amortized costs determined by specific identification. Unrecognized holding gains and losses are deemed immaterial.

Investments at December 31, 2018 mature as follows:

INVESTMENT	WITHIN 1 YEAR	1-5 YEARS	TOTAL
U.S. Treasury	\$ 12,423,139	\$ 1,342,069	\$ 13,765,208

Construction in progress	18,147	42,991
TOTAL	\$ 41,554,852	\$ 40,722,132

5 DEPOSITS FROM MEMBERS

The deposits held by the Association are primarily security deposits from members for the construction of residential real property. The deposits are used to ensure that construction is completed in accordance with the guidelines established by the Association's Architectural Standards Committee. The funds are deposited in a separate trust account and are refundable upon satisfactory completion of construction.

6 REPLACEMENT RESERVE FUND

The Association's policy is to maintain replacement funding levels sufficient to pay for capital replacements, refurbishments and repairs. Replacement funding levels, as determined by a study updated in 2018, are forecast on a 30-year basis with annual updates to replacement schedules, as they become known. Actual expenditures, however, may vary from the estimated amounts and the variations may be material. If additional funds are needed, the Association has the right, subject to any necessary member approval, to increase regular dues, to levy special assessments, or modify and adjust the scheduled major repairs and replacements as necessary.

7 RETIREMENT PLANS

The Association maintains a salary savings plan for all eligible employees. The Association matches 50% of the first 6% of the participant's contribution. Matching contributions are 20% vested after the third year of service and vest at the rate of 20% per year thereafter. Matching contributions expense was \$95,180 and \$88,685 for 2018 and 2017, respectively.

The Association maintains two defined contribution plans which qualify under Section 457(b) and Section 457(f) of the Internal Revenue Code, respectively (the 457 Plans). The 457 Plans allow for additional Association contributions and salary deferrals subject to limitations for eligible executive employees. Contributions to the 457 Plans funds are considered deferred compensation until certain future date conditions are met. The Association's contribution to the 457 Plans was \$56,307 and \$54,894 for the years ended December 31, 2018 and 2017, respectively.

8 OPERATING LEASE OBLIGATIONS

The Association has non-cancelable operating leases for copiers, land usage and computer equipment. Rental expense under all operating leases was \$93,000 and \$116,709 for 2018 and 2017, respectively. Future minimum lease payments under these leases are as follows:

YEAR ENDING DECEMBER 31:	
2019	\$ 35,230
2020	18,297
2021	5,752
2022	5,752
2023	1,917
TOTAL	\$ 66,948

REQUIRED SUPPLEMENTARY INFORMATION ON FUTURE MAJOR REPAIRS AND REPLACEMENTS

DECEMBER 31, 2018 (UNAUDITED)

In accordance with state law and sound business practices it is the policy of the Association to fund a reserve program that will adequately provide for repair and replacement of existing Association-owned assets. A 30-year reserve funding and expenditure plan is produced every three years, and updated annually, to schedule and analyze the funding needs. The Association updated its study in 2018 to estimate the remaining useful lives, the lives after replacement and the replacement costs of the components of common property. The estimates were based on estimates from consultants, management, contractors and historical costs. Estimated current replacement costs take into account the effects of inflation between the date of the study and the date that the components will require repair or replacement.

The Association does not designate the balance in the replacement reserve fund by component. The total available for major repairs and replacements at December 31, 2018, was \$10,400,000. The 2019 lot assessments include \$4,661,000 to be allocated to the replacement fund.

The Association has not included the replacement of building structures as a component of the replacement study. These structures generally have an estimated useful life greater than 30 years. The Association is accumulating funds in the Development Fund for building replacement.

The following table is based on the study and presents significant information about the components of common property for which funds are being set aside.
