Capital Projects Update

- **Capital Projects Process (CPP);**
 - GPC updates are underway for Board review
- **Open Building Permits**
 - **Equestrian Campus Relocation (DF);** Construction efforts started on October 16, 2017, where ADA Parking, accessible walkways, concrete pads at wash rack and portable restroom, and driveway base rock are now completed. During Spring months of 2018, and ahead of Summer operations, the following will be completed; guide shack, loading ramp, portable restroom fence, and wash rack posts.
 - **Pool Improvements (RRF);** Lap Pool and Spas are now closed for plaster, drainage, and coping upgrades. Rec Pool and Covered Spa will remain open during these Fall 2017 improvements.
