At this meeting the Trails & Open Space Subcommittee (TOS) took the following actions:

1. The TOS approved the 01/03/19 meeting minutes without amendment or objection.
2. The TOS reviewed an ebike memo that had been circulated to subcommittee members prior to the meeting. That memo is expected to be developed into a background report reflecting the TOS's findings and recommendations pertaining to ebikes in Tahoe Donner.
3. The TOS reviewed a report written by the Management, Operations, and Maintenance Subgroup. With ongoing input from the subcommittee as a whole, that report will be refined and expanded for incorporation into the TOS's draft Trails Master Plan update.
