

TASK FORCE PROJECT SUMMARY

Glacier Way Trailhead, Task Force Meeting

Project Summary:

- An expanded parking lot is recommended to be implemented by 2020, and within the current guidance of the 5YI Plan, with a future parking phase and vaulted toilet to be considered only if required by future Board or GPC.
- Staff to work toward preliminary construction costs for consideration by the Task Force and GPC.

November 10, 2016 Update:

Task Force studies and analysis are underway, including the addition of (14) parking places at the Bermgarten trailhead.
