

THANK YOU

TAHOE DONNER GIVING FUND DONORS

Thank you to all of the Tahoe Donner Giving Fund donors for making 2018 a huge year of growth for our charitable giving!

Between January 1, 2018 and February 28, 2019, the Giving Fund received direct gifts from the following donors to a total of \$148,703. With this generosity, the Giving Fund is able to provide grants to area non-profits and support deserving graduates with scholarships, including the new \$50,000 Impact Scholarship funded by an anonymous donor. Thank you.

In words and actions you have declared, "**TAHOE DONNER CARES!**"
