Please mention The Giving Fund when doing business with our generous sponsors.

**THE TRUCKEE DONNER LAND TRUST**, one of the environment-focused grantees in 2018, has been working with landowners, federal, state and local governments, and the public in negotiating land acquisitions, easement and land exchanges since 1990. One of their projects involves the Donner Lake Rim Trail, of which, two sections lie within Tahoe Donner. One connects Glacier Way to the Castle Valley Trailhead on Donner Summit and the other connects Glacier Way Trailhead to Northwoods Blvd. Our grant funds a trail information kiosk.

Want to Walk or Ride to Reno? Take **THE TAHOE-PYRAMID TRAIL**. According to Janet Phillips, President of Tahoe-Pyramid Trail, "The funds provided by the Giving Fund are helping us finish the last, and most difficult, section of trail to connect Truckee to Reno along the Truckee River. The last half-mile is an elevated boardwalk near Floriston. Thank you for helping us match a government grant to get this 5-year project completed."

Funds for these grants were garnered through the 2018 Giving Fund Dinner and Silent Auction. See you on the trails!
