<i>Guests:</i> John Maciejewski, Steve Mahoney			

• • •

At this meeting the Trails & Open Space Subcommittee (TOS) took the following actions:

1. The TOS approved the 01/24/19 meeting minutes without amendment or objection.

2. The TOS discussed public use of Tahoe Donner's trail system and the relationship between Tahoe Donner's trail system and adjacent trail systems. Mike Salmon, Tahoe Donner's Director of Finance, attended a portion of the meeting to provide the TOS with additional background information on Tahoe Donner's 501c4 status. Other topics discussed included liability risk, existing and potential access easements, whether the updated TMP should put greater priority on regional connectivity, how Tahoe Donner deals with public events and outside commercial ventures on the trails, potential capital responsibilities given public access, and potential trails and open space funding opportunities given public access. With ongoing input from the subcommittee as a whole, this discussion will be developed into a report informing the Trails Master Plan update.
