The winter season kicks off with Snowbird Chair, Eagle Rock Chair and the Caterpillar Conveyor scheduled to run at 9 a.m., weather and conditions permitting.

“Thanks to the recent Sierra storms, and early snowmaking efforts, we expect great ski conditions for opening day,” said Robert McClendon, ski resort manager. “With a good snow base and the majority of our terrain open, it will be a fantastic weekend for the whole family to come out and enjoy the first turns of the season.”

To celebrate opening weekend, all lift tickets are just \$15 on Sunday, December 15, 2019 as part of **Customer Appreciation Day**. Additionally, first-time lesson packages are offered daily starting at \$119 for kids 12 and under and \$143 for adults, which includes a full-day lift ticket, group lesson and equipment rental.

The Downhill Ski Resort Base Lodge will be open, providing food and beverage service, a retail shop and rental equipment. The Lodge Deck is the perfect place to relax in the sun for lunch or enjoy après ski by the outdoor firepits. When fully open, Tahoe Donner Downhill Ski Resort offers 17 runs, two terrain parks and 120 acres of groomed turns and wide-open bowls.

Tahoe Donner [Cross Country Ski Center](#) opened on November 29 with additional groomed XC trails being added daily thanks to the recent snow totals and off-season trail enhancements.

[Snowplay](#) opens for the season this Friday, December 13, weather and conditions permitting.
