**~~Minor~~ Projects without Neighbor Notification Definition:**

Changes to existing exteriors including: ARCGE, paint, roof, exterior light changes, new siding, window and door changes, deck railings and solar panels with tree removal.

Changes to existing exteriors including some land use so long as no improvement is proposed to go into setbacks: ~~driveway parking pads, small deck extensions, hot tubs, patio pavers, landscaping and paved walkways, stairs, solar panels, et al~~ or other further improvements that the Committee identifies as Minor Project without Neighbor Notification.

Revisions for Minor Projects without Neighbor Notification are included in delegated authority of Architectural Standards Improvement.

**Projects with Neighbor Notification**

Revisions to Projects with Neighbor Notification are included in the delegated authority as long as the changes are routine in nature and revisions do not intrude in the property setbacks.

Management reserves the right to push improvement project to Committee review and approval based on situation and/or other elements in improvement submittal.
