DILLON BROWN
MAINTENANCE

Dillon was an immense help for the Recreation department and some unexpected vehicle issues. There were problems with the truck, trailer and tires the day the Recreation managers were driving to pick up supplies for Fall Festival. Dillon realized what was at stake for the event, so he stopped what he was doing, fixed the walls for the truck, replaced a tire for the trailer and fixed the wiring to connect the truck to the trailer. This took up at least 1.5 hours of his work day and helped Tahoe Donner run a great Fall Festival. Thank you for being a team player Dillon!

CHRIS SIMPSON
ARCHITECTURAL STANDARDS OFFICE

When Chris learned about a dead raccoon in a member's backyard, he took it upon himself to rectify the situation. Because Animal Control doesn't pick up animals from private properties, Chris stepped up to help remove the raccoon. He is always willing to answer

odd questions and works with assisting all members. He is great at diffusing situations and putting the member first. Thank you for your support Chris!

TAHOE DONNER GIVING FUND AWARDS GRANTS

The Tahoe Donner Giving Fund awards \$50,000 in grants to local non-profits annually. Details to follow in the January edition of *Tahoe Donner News*.

Thank you to all Giving Fund donors. To donate this year, please visit our website at tahoedonner.com/giving-fund or use the cutout at the bottom of page 8.

TOYS FOR TOTS + FOOD DONATION IN TAHOE DONNER

Get in the spirit of giving this holiday season by bringing new, unwrapped toys to The Lodge Restaurant & Pub from 5-9PM or Member Services in Northwoods Clubhouse from 8AM-5PM daily, through December 15. The Toys for Tots collection box is sponsored by Soroptimist International of Truckee Donner. In 2018, new toys were

provided to approximately 500 Truckee children in need.

There will also be a bin to donate non-perishable food at Member Services in the Northwoods Clubhouse from 8AM-5PM daily until December 12. Do your part this season for those less fortunate.

GOLF COURSE GREENS ARE GROWING

The Golf Course Repair Project is already underway! Check out these amazing pictures of the greens growing beautifully. Stay up to date on the project at tahoedonner.com/golf-repair-2020.
