

CALLING ALL TAHOE DONNER SKIERS FROM WAY BACK WHEN

Tahoe Donner is proud to celebrate 50 years of playing on the snow, on the trails and everywhere in between!

We want to hear YOUR ski stories. If you or someone you know learned to ski at Tahoe Donner in the 1970s or 1980s, let us know. Send an email to 50years@tahoedonner.com that includes:

- Your name
- Name(s) of those who learned to ski at the Tahoe Donner in the 70s or 80s
- Contact info of involved skiers

Thank you for being a part of our special mountain community's history, and cheers to another 50 years!
