

# MEET THE SCHOLARS YOU ARE SUPPORTING

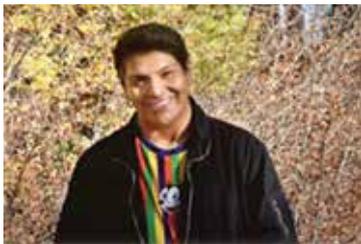

By **TONI MOORE**

The Giving Fund Committee would like you to meet the recipients of the eight scholarships awarded in June. Thanks to the extreme generosity of an anonymous Tahoe Donner donor, four IMPACT scholarships were made available for first-generation students with financial need. These students are eligible to receive up to \$10,000 per year for up to 5 years.

Four traditional one-time awards were also made, two awarding \$3,000 to students going to 4-year universities and two awarding \$1,500 to students beginning their post-secondary education at the community college level. Altogether, the IMPACT scholarships total \$200,000 and the traditional scholarships – funded by you – equal \$9,000. But wait; there's more...

In addition, four 2019 IMPACT scholarship recipients are beginning their second year of university, and six prior traditional scholarship recipients are receiving support from the Giving Fund this coming school year in the amount of \$11,000. That means, for 2020-2021, Tahoe Donner Giving Fund donors are providing life-changing support to 14 well-deserving young people with bright futures ahead of them.
