

Tahoe Donner Association  
 Ebike - Land Management Comparative Matrix  
 Dec-20

\* Y=yes N-No M-Mixed NS-No stance

Land Mgmt Association/Organization	Ebikes Permitted Y/N/M/NS	Rules/Policy or Under Evaluation	Management Strategy	Issues	Notes
<b>REGIONAL</b>					
Tahoe Donner Association	N	Under Evaluation-Currently not allowed	None	Opinion split	Little to no negative interactions, signage needed
Truckee Donner Land Trust	NS	Defer to USFS policy or adjacent lands	None	Trails cross multiple managed lands	
United States Forest Service (USFS)	M	No Ebikes on trails, allowed on roads Pilot program areas allow ebikes	Signage, web, word of mouth, no enforcement other than verbal notice	Poachers, no enforcement Controversy	USFS re-evaluating regulation and management strategies Tahoe Forest is a pilot forest area under ebike evaluation
Bureau of Land Management (BLM)	M	Permitted on OHV roads and trails Permitted on authorized non-motorized trails, Not permitted on non-authorized non-motorized trails. Site specific mgmt	Signage, web, maps, local word of mouth, ranger enforcement	Poachers	BLM to issue site specific mgmt decisions under individualized land use plans. Rules under NEPA evaluation for change
California State Parks	M	Permitted on OHV roads and trails Permitted on authorized non-motorized trails, Not permitted on non-authorized non-motorized trails. Site specific mgmt	Signage, web, maps, local word of mouth, ranger enforcement	Poachers, no enforcement Lack of consistent park rules	Individualized rules from park to park tends to cause the most issues. No
Northstar MTB Park	Y	Permitted on all trails within the park area	signage, maps	None	Not a multi use area. No eq or pedestrians to contend with Building uphill travel trails for ebikes
Sommerset HOA - Reno	N	No motorized bicycles or skate boards allowed on trails	Covenant rules - fines applied to assoc dues. Signs	Cyclists don't have ID to fine a fee to association dues	Ebikes have not posed a problem yet. Trails connect to Peavine trails and HOA wants to encourage bicycle commuting to trails
Peavine Trails - USFS	M	No ebikes on non-authorized trails Allowed on designated trails and dirt roads	Signage, kiosks, map, trail organizations	None	Mixed area of dirt roads and trails provides ebike and non ebike trail use in same area
Washoe County Parks and Open Space	M	No ebikes on non-authorized trails Allowed on designated trails and dirt roads	Signage	None	No issues as of yet.
Marin County Parks and Open Space	M	Ebikes permitted on multi-use pathways Not permitted on dirt roads and trails unless specified	Limited signage, maps, web search, ranger enforcement with tickets	Very limited enforcement opportunities	Rules vary from trail to trail. Signage is increasing to allow ebikes on dirt roads and some singletrack trails
Tamarancho - Mt Tamalpais trails	Y	Ebikes permitted on all trails and roads	None	None, possibly more bikes	No signage prohibiting ebikes. Some trails don't allow any bikes
<b>Auburn Land Trust</b>					
Auburn State Recreation Area	M	Ebikes permitted on all trails and roads unless designated otherwise	None - speed limits posted	None	Not currently re-evaluating. No significant policy needed
<b>NON-REGIONAL</b>					
Park City Trails and Open Space	M	Allowed on multi use trails and soft surface trails over 5 ft wide. Not allowed on singletrack within the Park City town limit	Signage, maps, web search	Poachers Controversy	Town is currently evaluating a rule change to allow ebikes on singletrack within town limits. Signage will be mgmt strategy
Moab Trails and Open Space	M	Allowed on federal designated use lands Not allowed on non-motorized trails	Signage, maps, town posters, word of mouth	Poachers Limited enforcement	Many riders poaching. Contentious in town
Sedona Trails and Open Space	M	Allowed on multiuse paths and paved trails Not allowed on singletrack	Signage	Poachers, enforcement, Growing demand/desire	Policies are being re-evaluated for allowing ebikes on specific singletrack trails, managed by local organizations
Mammoth Mountain	Y	Allowed on all bike park trails Follow USFS regulations in surrounding forest and trail use areas	Signage, maps, shops, lessons, local organizations, word of mouth	None	Embracing ebikes and constructing ebike specific trail design for uphill travel. Fee use area
Sun Valley Trails and Open Space	Y	Mixed use permits ebike use on many designated singletrack and roads	Signs, maps, apps, shops	None	Trails are multi use and permit ebikes with adequate signage to educate users about etiquette. Town map has link for best ebike trails
