

COVID-19 QUESTIONNAIRE

While we are taking every possible step to stop the spread of COVID-19 and keep your family and our staff safe, please be aware that there is an inherent level of risk associated with going into public areas at this time. No entry into a public setting can be guaranteed virus-free. If you do not feel comfortable with accepting that risk, we look forward to having you return to enjoy our camps and programs at our facilities once the COVID-19 pandemic subsides.

If, during or after your attendance at a camp or program, you or anyone in your household fall ill or experience symptoms of COVID-19, please email daycamps@tahoedonner.com or call (530) 587-9493 to let us know. Staff will advise other campers of their possible exposure based on your participation dates.
