Authorize a donation in support of Yes on T, a Wildfire Protection Measure, in the amount of \$6,473.

### BACKGROUND:

At the May 28 Board meeting Chief Seline gave the Board a presentation regarding the risk of fire danger in our region. In addition, he provided some educational background regarding Measure T. If approved by a two thirds of local voters, Measure T would provide a stable funding source to address a number of needs related to fire prevention and mitigation. Measure T would cost property owners \$179 per parcel, per year.

After the Board received the presentation from Chief Seline, the Board by motion unanimously supported the measure and directed staff to promote the measure through all appropriate resources.

### ANALYSIS:

In order to better support the Measure T campaign from a financial perspective, the TDA Board President is recommending that the Association commits \$6,473 to the campaign. This represents \$1 per home at Tahoe Donner.

### FISCAL IMPACT:

This would have a direct impact in the amount of \$6,473 to the annual budget.
