

# Special TDGF Committee Meeting – Monday March 23, 2020

## Minutes

1:00pm – 2:10pm via Zoom

**Attendance:** Committee members Toni Moore, Jennifer Jordan, Dick Gander, Suzanne Sullivan, Barbara Ramsey, Cathy Pelligrini, Marcia Argyris, Carole Mahoney, Jeanette Fagerskog and guest Stacy Caldwell, TTCF Executive Director.

### Discussion and/or Action Items

1. Discussion between TDGF and TTCF regarding needs related to the current COVID-19 crisis and what we can do legally to help –

Stacy helped to clarify whether TDGF could help with TD employees needs due to the loss of work. Legally, we cannot fund individuals, except through our scholarships. TTCF's 5013C is not set up for this. TDGF funds non-profits who do get the monies out to the community which has a much broader benefit.

2. Discussion among TDGF committee members regarding how we could spread the word on what we can and cannot do to help our community –

Suzanne, Dick and Marcia will write a short note to be included in an Eblast and the TD News (if timing permits) to assure the TD community that their donations are going to the local non-profits who can reach more people in need. And, that we continue to care and raise money to help these non-profits, especially as they scale up to meet an even greater demand for services.
