RE: New Committee Members, July 2021 Fundraising Campaign

## Recommending New Committee Members

Today the Giving Fund is bringing forth four new committee members for your approval. They are: Barbara Czerwinski, Fred Hertlein, Herb Hwong, and Ashley Savageau.

Each brings unique talents and expertise to the Committee as their resumes validate.

Barbara, one of the committee's founding members, wishes to return to the Committee now that her work on obtaining National Landmark status for the Vet's Hall and Rocking Stone is complete. Barbara brings valuable insights to the Committee through her extensive activity in the broader Truckee community.

Fred is a data analyst who is also proficient in database design and languages. Just who we need to manage our Classy account.

Herb's background in finance will serve us well as we plan for fundraising and distribution of those funds.

Ashley's involvement in corporate philanthropy and marketing dovetail perfectly with the needs of the committee. That experience coupled with her English teaching background and professional computer skills will be put to good use in materials creation and website maintenance.

The Giving Fund committee highly recommends approval of each of these prospective new members.

## July 2021 Fundraising Campaign

We are pleased to report the July 2021 campaign launched on July 13. Given the donations received thus far, we are optimistic we can meet our goal of \$45,000. This is a two-week campaign, ending on July 28.

We encourage owners of each of the 6,473 properties in Tahoe Donner to contribute. In pooling our resources, we recognize the needs within our community and make manifest our responsibility as good citizens of the greater Truckee area by funding grants to local nonprofits and scholarships to well deserving students who would otherwise not attend university.
