

AMENITY ACCESS POLICY BOARD UPDATE

MAY 27, 2022

MAY BOARD OF DIRECTORS UPDATE

- The working group has not met since the last update
- Staff has finalized the draft of the Amenity Access Survey with the Finn Group
 - Finn Group will administer the survey with an anticipated launch date of 6/6/2022
- Staff is gathering data for analysis to assist with the development of Recreation Fee options for 2022-2023 Rec Fee season

JUNE THROUGH AUGUST

During the summer months, staff will be focusing on:

- Analyzing the survey feedback and prioritizing the input
- Develop options for the Recreation Fee structure for the 2023 Rec Fee year
- Recreation Fee options to be presented to the Board in August for consideration

SEPTEMBER THROUGH NOVEMBER

During the fall, staff will be focusing on:

- Implementation of the recommended Recreation Fee structure through the budget approval process
- Providing a Board update that includes the usage and revenue per household data collected over the summer and membership priorities regarding amenity access feedback collected to date

DECEMBER AND JANUARY

During the winter, staff will be focusing on:

- Creating policy options to address the prioritized membership concerns to present in townhall style meetings for additional input

THANK YOU
