

TAHOE DONNER 2022 MILESTONES

May 27, 2022

15 SEASONS OF DEDICATED SERVICE

Ian Mindell Director of Tennis

“Ian started in 2008 as the Tennis Director for the association. At that time, he brought years of experience and an undying passion for tennis to our operation that has elevated our club to one of the best facilities in the region. Quick with a smile and a pleasant quip, Ian’s dedication, attention to detail and personality make him a perfect fit for Tahoe Donner. His efforts have been recognized by the industry as illustrated by the many awards our center has received during his tenure, including the USTA National Tennis Ratings Program tournament of the year – from 2011 to 2019 – the run was only broken as a result of a global pandemic. We thank Ian for 15 years of service to Tahoe Donner and hope he sticks around for 15 more.”

- Miguel Sloane, Director of Operations
