

LONG RANGE PLANNING COMMITTEE MEETING

REPORT

February 7, 2022
Zoom

Training Session #2 - Long Range Planning Committee Workshop #2 “Environmental Scan and Goal Setting” presented by Michael Shellito, David Mickaelian, and Jon Mitchell.

Agenda Consisted of:

- Recap of previous meeting
- Review Strategic Plan as it Relates to LRPC
- Introduce environmental scan
- Discuss capital plans
- Identify important goals for 2022 based on adopted work plan – Note that this is work in progress, discussion to be continued at first formal meeting
- Elect Chair and vice chair – Discussion revolved around process. Interested parties will submit a brief bio to staff that will be distributed to the committee for consideration. Final decision will be made at first formal meeting.
- Set regular meeting date and time – Doodle poll will be sent to group and regularly scheduled meeting will be set at first formal meeting
