

# FORESTRY UPDATE

April 21st, 2022

**TAHOE DONNER<sup>SM</sup>**

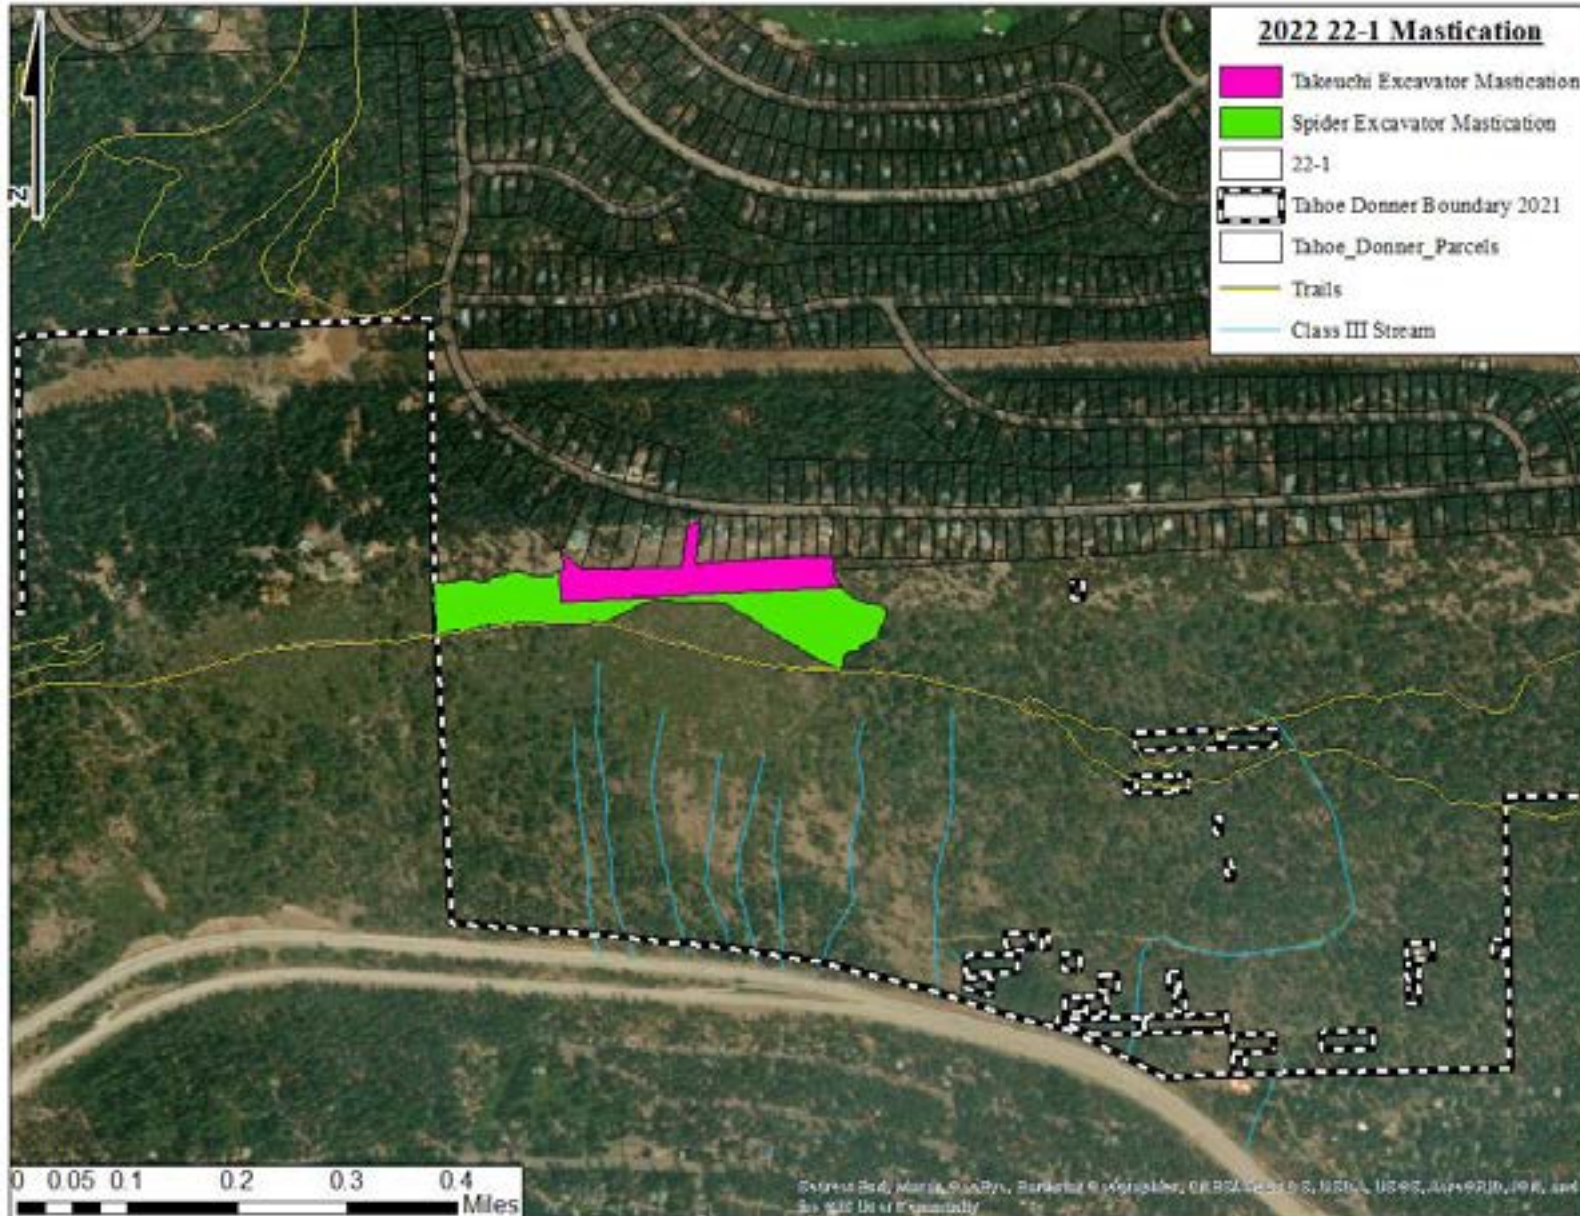

# SKISLOPE EXPEDITED FIRE MITIGATION PROJECT

# SKISLOPE EXPEDITED FIRE MITIGATION PROJECT

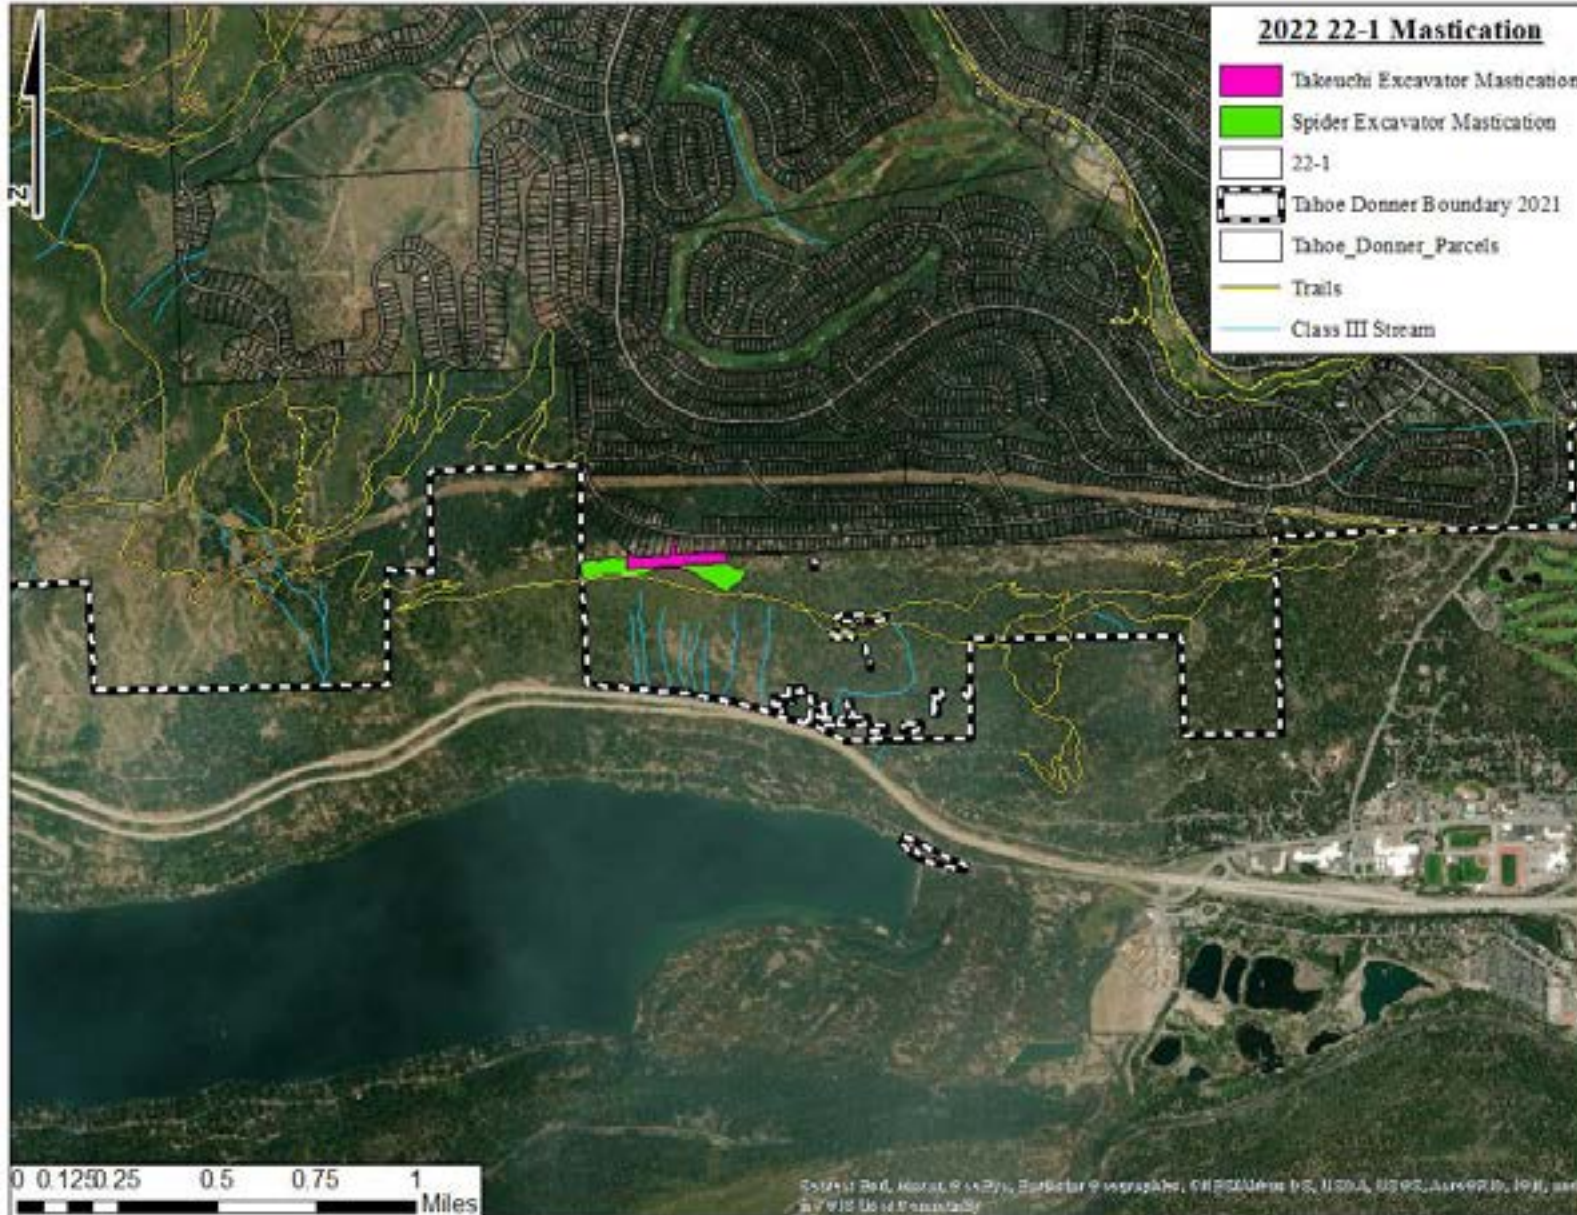

## Zoomed Project View

Forestry staff expedited a new project on the southern face of Tahoe Donner Association between I80 and Ski Slope.

# SKISLOPE EXPEDITED FIRE MITIGATION PROJECT

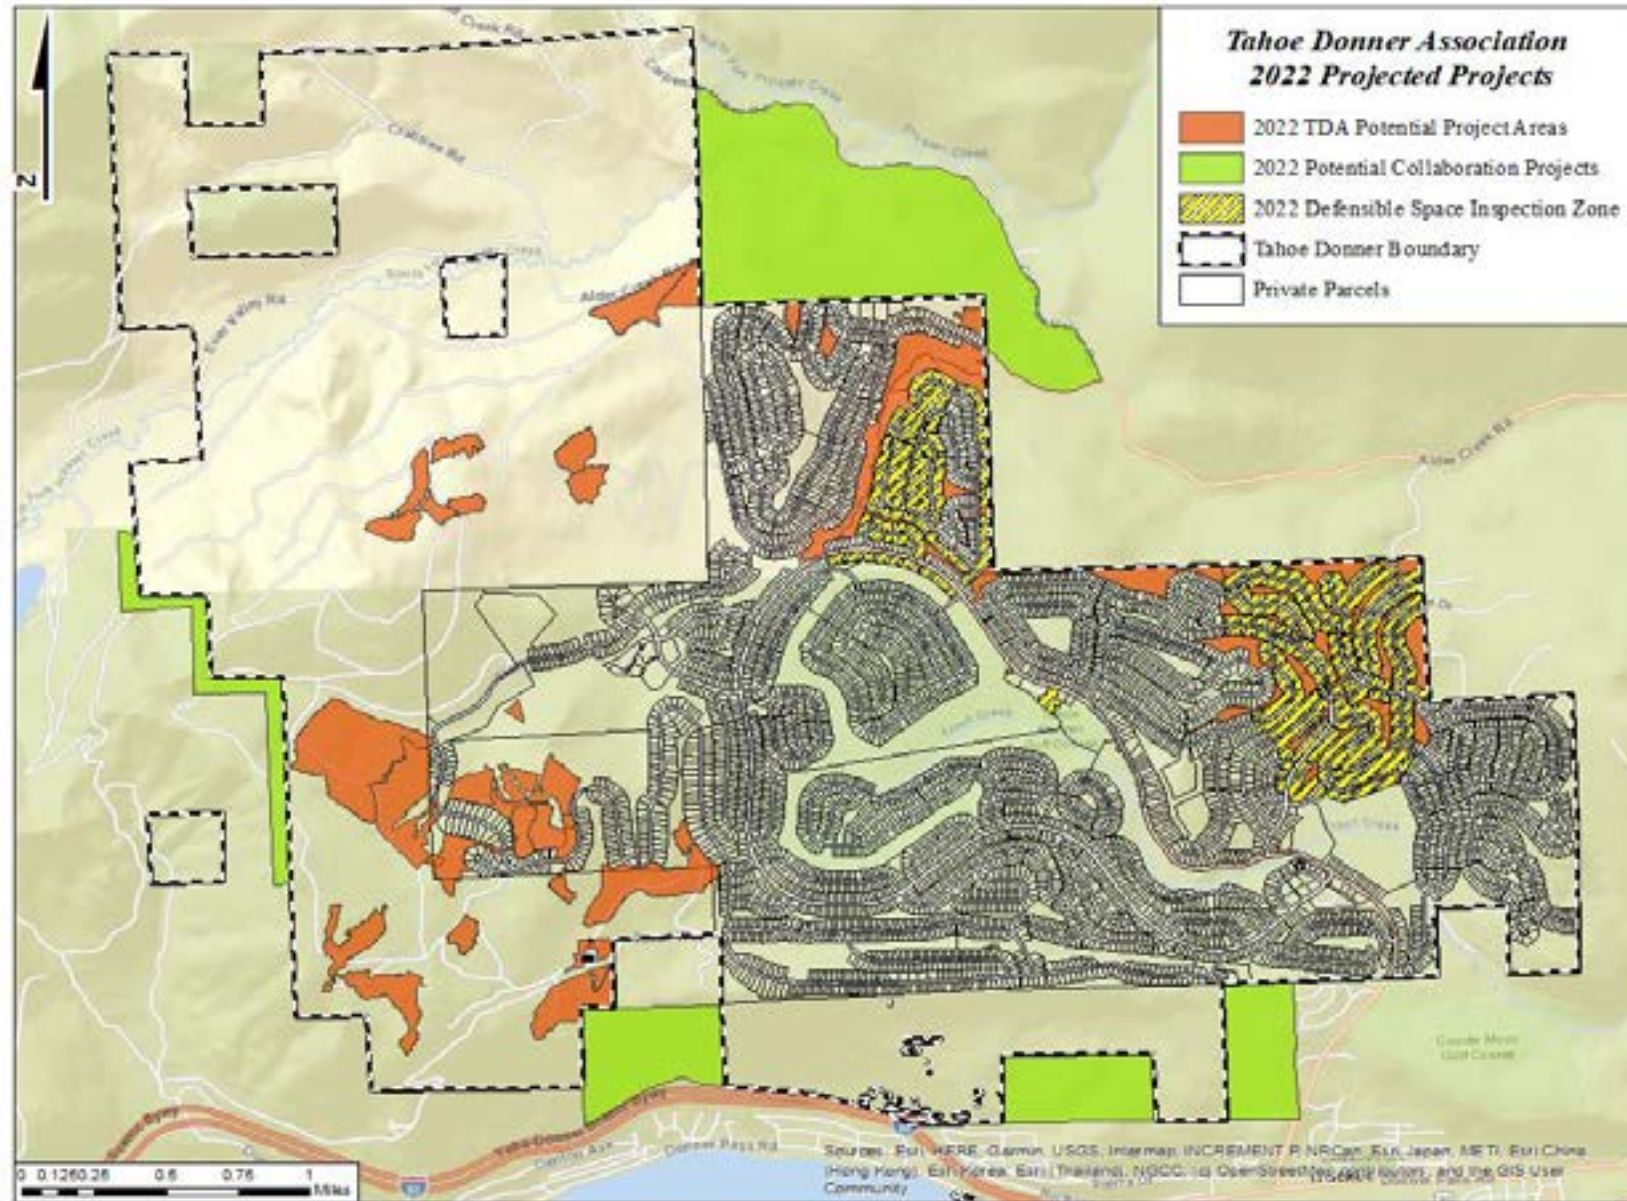

## Expanded Project View

- TDA, Truckee Fire Protection District collaborative project.
- Project area will be expanded utilizing **Measure T funding**
- Enhanced fire mitigation for TDA and SW flank of Town of Truckee
- Project started at 13.2 acres, expanding to approximately 27 acres

## 2022 FORESTRY PROJECTS

# US FOREST SERVICE Alder, 89 Project

- TDA working collaboratively with US Forest Service to plan and initiate a large-scale vegetation management project on North side of Association property.

## Project Benefits

- Forest health and resiliency to changing climate
- Enhanced property protection
- Enhanced escape route safety

# Lessons Learned

## Understanding how fires have impacted communities around TDA

- TDA Forestry Staff visited Dixie fire and town of Greenville
- TDA staff meeting with fire managers to understand decision making.

## Next Visits

- Caldore Fire, Neighborhoods
  - Sierra Meadows WUI project
  - Glenshire WUI project
  - Prosser WUI project
- \*(WUI) Wildland Urban Interface
