

TAHOE DONNER 2022 RECOGNITION

April 21, 2022

ANDRIA GOLDEN

13 YEARS AT TAHOE DONNER ASSOCIATION

“I have been a Tahoe Donner full-time resident for 30 years. My kids were born and raised in Truckee, and both kids also followed in my footsteps and worked at The Lodge and other different amenities as they were growing up. I have truly enjoyed working for Tahoe Donner this past 12.5 years. As the Kitchen Supervisor/ banquet chef I am fortunate to have worked with some extraordinary people. I’d like to especially thank Chef Lew who took me under his wing and pushed me to become a better chef and mentor to me. Christen Holland, who helped me with any questions when I was learning to fine-tune my management skills. Finally, to my crew who are literally my second family. I will always cherish my time with Tahoe Donner truly the finest company to work for. Thank you for an amazing career!” -Andria

“Andria’s roles in the kitchen go way beyond kitchen supervisor. She is also that person, the glue who keeps the team together, the confidant who gives truthful advice and a friend to everyone. She has been our MVP and will be greatly missed by all.”

-Christen Holland, GM The Lodge
