1. The meeting of the Trails & Open Space Committee (TOS) was called to order at 12:00 PM with a quorum present.
2. **Non-Agenda Comments:** The committee chair provided a brief update about a May 25 dog management meeting involving Benjamin, Livia, Ellen, and John. During that meeting, the group discussed the TOS's March 2022 consensus about how to address the dog management issue in the Trails Master Plan, and about potential further steps that could be undertaken on the dog management issue following adoption of the Trails Master Plan.
3. Because some TOS members reported receiving an incomplete copy of the draft, the TOS deferred approval of the previous meeting minutes.
4. **Trails Master Plan/Land Management Site Tour:** To better inform itself about Trails Master Plan proposals and the status of certain land management projects, the Trails and Open Space Committee visited 10 sites around Tahoe Donner.
5. The TOS meeting was adjourned at approximately 4:15 PM.
