3 TD Chip Crews – One Contractor On Weekends – One Additional Contractor Incoming

VEGETATION MANAGEMENT

- 215 Acres treated by 8/4
- Association lands seeing significant drought and beetle impacts
- Region-wide significant mortality in red and white fir stands
- Estimate 30-40% tree mortality across Truckee area.
- Performing stand inspections and analysis
- Problem will likely increase in 2023

REGIONAL COLLABORATION

On 7/13 Tahoe Donner hosted a regional collaborative meeting to discuss cross-boundary forest health and catastrophic fire mitigation efforts.

Attendees:

- Tahoe Donner
- Truckee Fire Protection District
- US Forest Service
- CA State Parks
- Truckee Donner Land Trust
- Truckee River Watershed Council
- Northstar Fire Protection District
- Sierra Pacific Industries
- Nature Conservancy
- Vibrant Planet, Land Tender
