When the position became available, Lindsay was promoted due to her stellar performance, talent in organizational communications and depth of knowledge in her field. ## **Cari Healey**

### ***Recreation Manager***

“Cari MacPhail originally came to Tahoe Donner in the summer of 2012 as a Day Camps leader. The following summer she returned to Day Camps. After four years teaching skiing at Sugarbowl, Tahoe Donner was able to keep Cari year-round by bringing her to our downhill ski area as an assistant ski school supervisor. Cari steadily climbed through the ranks becoming the Day Camps coordinator in 2014, the Snowflakes ski school supervisor that winter, and the Day Camps manager in 2016. In 2019, Cari was made the Day Camps and Rec manager, was married in 2020 (changing her last name to Healey which many of you now know her by) and, finally, the Trout Creek and Recreation manager overseeing: Trout Creek Recreation Center, Aquatics, Snowplay, Day Camps and Recreation in 2021. This winter, Cari and her husband Mike welcomed their baby daughter Campbell June Healey.”
