

2022 COVENANTS COMMITTEE: GOALS

1. Continue to monitor and enforce all Covenants Rules.
2. Implement the new Covenants Enforcement Procedures after Board approval.
3. Develop a committee policy statement regarding committee member goals, expectations, conduct and implementation of the revised procedures.
4. Hold a committee member training workshop to review the revised procedures and policy statement.
5. Succession Planning – (added by the Board of Directors at the December 17, 2021, regular board meeting)
6. Exterior Decorative Lights – for the committee and staff to work jointly on whether to affirm language exists to appropriately address decorative light complaints or whether additional rule language should be drafted and brought forward in parallel with the drafted proposed changes to the Architectural Standards Exterior Light rule – (added by the Board of Directors at the December 17, 2021, regular board meeting)
