

Dear New Homeowner,

Welcome to Tahoe Donner! As a new owner and member, you're about to enjoy the complete Tahoe mountain lifestyle as it was originally envisioned when this community was founded in 1971.

Today, Tahoe Donner is Northern California's largest resort community and one of the largest homeowner associations in the United States. Our community offers the widest range of amenities in the North Lake Tahoe region, and more than 25,000 members—including you and your family—are invested in its ongoing success.

We are here to help make your experience at Tahoe Donner extraordinary. Please don't hesitate to give us a call at (530) 587-9400 or email info@tahoedonner.com to contact Member Services, available daily from 8AM-5PM. I wish you the best as you and yours begin new traditions at Tahoe Donner.

Sincerely,

David Mickaelian
General Manager

AMENITIES AND AMENITY USE

PUBLIC AMENITIES

The Tahoe Donner Golf Course, Equestrian Center, Bikeworks, Campground, Downhill Ski Resort, Snowplay and Cross Country Ski Center are open to everyone. Selling our excess capacity to the public subsidizes our year-round fun, and 67% of our amenity operating costs are funded by users. Members enjoy significantly lower rates at public amenities than the public.

PRIVATE AMENITIES

The Beach Club Marina, Tennis Center, Trout Creek Recreation Center and Northwoods Pool are only accessible to Tahoe Donner members and their guests.

MEMBERS

Members are defined as Tahoe Donner Association homeowners and their families, and are either listed on the deed or related by blood or marriage/law. Each property may have up to eight qualifying members with their own unique ID number (four members are included at no charge with payment of the Annual Assessment and up to four more members may be added at \$145 per person based on valid ownership/family status). This fee is renewable each year and is valid from May 1, 2022 through April 30, 2023. Member children ages 6 and under may be added to the property and are not counted in the four or eight members on the property.

MEMBER ID

Member IDs are required for entry to the private amenities. The fee is waived for members who have paid their optional, annual Recreation Fee (see more information below).

TRANSFERABLE GUEST CARDS

There are two authorized transferable guest cards per property. Each card allows up to four **unaccompanied** guests access to the private amenities by paying the Daily Access Fee for a total of eight guests per property.

RECREATION PASS (OPTIONAL)

The annual Recreation Pass allows unlimited access to the private amenities for all members and member additionals on the property without paying the Daily Access Fee. The yearly fee for May 1, 2022 through April 30, 2023 is \$395. This fee can be paid annually along with your Annual Assessment online in the member portal, via phone by calling Member Services or in person by visiting Member Services or the Trout Creek Recreation Center.

DAILY ACCESS FEES (FOR MEMBERS WITHOUT PAID REC FEE) AND GUESTS

- \$10 for members
- \$12 for accompanied guests
- \$17 for unaccompanied guests
- FREE for children under 7
