The 11th Annual Fall Festival is Back!

Truckee, Calif. (September 14, 2022) – The Tahoe Donner Association welcomes back its 11th Annual Fall Festival on Saturday, October 8 from 11 a.m. to 4 p.m. at the Northwoods Clubhouse. Following a two-year hiatus due to the COVID-19 pandemic, the association is thrilled to bring back this special community event filled with harvest-themed activities, food and entertainment to celebrate the autumn season.

Tahoe Donner’s Director of Operations Miguel Sloane has worked at the festival since its inception, helping to expand its activities over the years. He shares, “The Fall Festival has grown so much over the past 11 years, and it’s exciting to see how it brings the community together year after year. At our last festival, we had over 1,000 people visit throughout the day, so we make sure we have activities for all ages and interests. There really is something for everyone!”

This year’s festival highlights include a pumpkin patch and carving station, kids maze, climbing wall and a doggie dip party for your four-legged friends at the Northwoods Pool (dogs must be on leash when not in the pool area).

Returning is a live animal show from [Wild Things Inc.](#), a leader in animal education and conservation. Their exciting and educational presentations bring spectators up close and personal with a variety of rescued wildlife.

Additional family favorites include:

- Bungee Trampoline
- Bounce House
- Obstacle Course
- Face Painting
- Candy Apple Construction Station
- and More!

Take a bite out of the season with delicious food and beverage options including Pizza on the Hill and Oktoberfest-style pretzels with beer cheese dip. For meals on the go, grab a bratwurst or hot dog to munch while you explore. Of course, no fall festival is complete without sweet treats like cotton candy, popcorn and caramel apples!
