|--|---|
| <input type="checkbox"/> Hiking Club     | <input type="checkbox"/> Mountain Bike Club         |
| <input type="checkbox"/> Equestrian Club | <input checked="" type="checkbox"/> TD Running Club |

## Please describe the qualities and experiences you bring that will help promote a diversity of perspectives on the committee.

I am a lifelong runner who has completed as a professional athlete and now works in the running industry. I have a passion for the outdoors that started hiking and playing as a young child in the mountains. I run countless miles on the trails in Tahoe Donner and throughout Truckee/Tahoe and am the founder/leader of the TD Running Club.

According to its charter, the TOS is intended to include a broad demographic spectrum of trail system and

open space users. Please describe the qualities and experiences you bring that will help promote a diversity of perspectives on the committee.

**Are you a current or former member of any TOS subcommittees?**

Yes  No

**Please describe any stewardship and/or volunteer experience that may be relevant to the Trails and Open Space Committee's work.**

I have done trail work in the past, but I'm not in a position to lead trail work crews just yet.  
  
More importantly, I'm the founder and leader of the TD Running Club and would love to get membership involved in TOS work.

Please describe any stewardship and/or volunteer experience that you may have that you believe may be relevant to the Trails and Open Space Committee's work.

**Please describe any experience you may have with land management and/or stewardship organizations inside or outside of Tahoe Donner.**

Most of my trail building work was done as a teenager and Boy Scout. My Eagle Project for boy scouts included building stairs on a trail in Danville CA.

Please describe any experience you may have with land management and/or stewardship organizations inside or outside of Tahoe Donner.

**Is there anything else you would like to add that is not included in your Statement of Interest?**

**Additional Instructions**

Prior to appointment, prospective committee members must also complete the following qualification prerequisites:

- Initiate potential onboarding by notifying the chair of their interest in applying
- Introduce themselves to the committee at a noticed meeting
- Attend at least two Quarterly Meetings\*
- Read the relevant governing documents, planning documents, recent TOS meeting minutes, and the TOS charter

\* If the TOS is meeting on a more frequent schedule, please consult with the committee chair regarding an equivalent attendance quota.
