

THE REPORT

LET'S GIVE TOGETHER

By THE TAHOE DONNER GIVING FUND

Please keep our Truckee community in your year-end giving plans with the Tahoe Donner Giving Fund to:

- ♥ Award scholarships that change the futures of local students
- ♥ Make grants that answer the critical needs of local nonprofits
- ♥ Make a difference in our local community

As Tahoe Donner homeowner and Giving Fund Committee volunteer Toni Moore says:

"I give simply because it is the right thing to do. Just think about the incredible impact Tahoe Donner would have on the Truckee community if every property owner gave \$100 a year to support students and local nonprofits."

She's right! If 6,000 homeowners each gave \$100, we could help local scholarship students and nonprofit organizations with \$600,000 of services and support.

Whether you can give \$100 – or more, or less – please give! Every donation helps.

Please donate at givingfundtahoedonner.com/AA2022.

The Tahoe Donner Giving Fund is chartered by the Tahoe Donner Board of Directors. All contributions are voluntary tax-deductible gifts from Tahoe Donner members and friends. The Giving Fund is administered through the Tahoe Truckee Community Foundation, a 501(c)(3) public charity. For more information on the Giving Fund or to make a contribution, visit our webpage at tahoedonner.com/giving-fund. Contact tdgf@tahoedonner.com with questions or to volunteer for the committee. Thank you to our founding partner, Elements Mountain Company, for their continued support.

TDPUD REBATE PROGRAMS Save Energy *and* Money

Want to reduce your greenhouse gas emissions AND save money on your energy and water bills?

Truckee Donner PUD is here to help you do both with our electrification rebate programs. You can get money back for improving the energy efficiency of everyday equipment in your home and by replacing gas appliances with electric alternatives.

Get money back!

- **Energy Star Appliances** save up to 50% in energy use. We've recently added induction cooktops to our list of rebates.
- **Heat Pump Hot Water Heaters** extract free heat from the ambient air and cost less to operate compared to gas heaters or electric elements.
- An **Electric Panel Upgrade** will ensure that your service panel can handle electric appliances.
- Install an **EV Charger** in your home and receive up to \$950.
- **Water Efficient Toilets** use 60% less water than older toilets.

Learn more: For a full list of the rebates TDPUD offers and to apply online, go to tdpud.org/rebate or call our customer service department at (530) 587-3896 for assistance.
