THANKS TO YOU

"The Tahoe Donner Giving Fund embodies a set of universal principles that every community in America needs right now: kindness, empathy, generosity, and a sense of shared responsibility.

"Those are the types of values that give me and all of our scholars hope: the belief that when the sun rises, it rises for everyone.

"I am deeply grateful for the continued presence and support of TDGF and its scholarship grants."

~Craig Rowe, Guidance Counselor, Truckee High School

INSPIRED BY THE TAHOE DONNER GIVING FUND, ONE GENEROUS DONOR CREATED THE IMPACT SCHOLARSHIPS TO CHANGE LIVES

In 2017, one Tahoe Donner homeowner read about the TDGF scholarship students and came to us with an idea.

She told us, "I want to change someone's life by granting a full scholarship to a student in need, preferably first generation, to attend a college they might otherwise not be able to afford."

That was the beginning of the Tahoe Donner Giving Fund IMPACT Scholarship Program, launched in 2019 with four \$50,000 scholarships to recipients who have up to five years to complete their schooling.

To date, this anonymous donor's generosity is supporting the education of 16 scholars.

As one of the IMPACT scholars told us, "The Tahoe Donner anonymous donor is my angel sent from heaven. I am so very appreciative!"

WHY WE GIVE

"We feel grateful to live in this beautiful area and blessed that we can help support the community around us.

"The Tahoe Donner Giving Fund does a great job pooling and distributing donations to help support students, nonprofit organizations, and worthy projects in the area."

~ Cathy and Tim Pellegrini, Tahoe Donner homeowners
