## Minutes: Committee Discussion

David Cahill will be applying to the Board to join the TOS committee. By consensus, the committee agreed that no updates or changes are necessary to the existing personnel report.

Dog Subcommittee Report: Carol Lindsay reported that the Interim dog management report is not complete and that the subcommittee plans to continue working on the report at its next meeting.

Leslie reported on continuing stewardship opportunities and previewed a report on the Trails Department's summer 2024 accomplishments which she will distribute by email to the TOS members.

Leslie also reported signs have been ordered for the trailheads and Common areas.

The committee discussed the 2024 Land Management Budget. In this context John Groom discussed the possibility of providing funding for common area defensible space work through the Replacement Reserve Fund.
