Name / Address
Tahoe Donner Home Owners Association Michael Kane Club house AC coil reduct and hang and drain the unit properly

Project
Clubhouse AC fan ...

Description	Qty	Rate	Total
Martis Valley Mechanical will remove the duct work from the fan coil so we can properly install and drain the fan coil by suspending it from the roof rafters and installing a secondary drain pan. Then install new duct work with new plenums. The access to this system is from the small office off the conference room		6,480.00	6,480.00
Total			\$6,480.00

Phone # (530) 582-4699 info@martisvalleymechnical.com
