5 YEARS OF DEDICATED SERVICE

Raziel Ruiz Quintana

Assistant Golf Course Superintendent

“Luch is becoming a solid assistant. Not only is he willing to get his hands dirty, but always willing to get his hands dirty for irrigation repairs. He often helps the staff even outside work when they need personal assistance. Luch is the hardest working assistant I have had in a long time. He is a humble and loyal person. He always gets the job done.”

-Ramiro Sena, Golf Course Superintendent
