# WELCOME TO THE TEAM!

## Jason Hansford

*Senior Project Manager*

Jason came on board in mid-April as our Senior Project Manager to specifically manage the Downhill Ski Lodge Replacement Project over the next two years. He will also aid the capital project team in other select projects over this timeframe. Jason's current office space is in the Capital Projects office, but soon to move to a temporary construction trailer in Lot 5 at the Downhill Ski Resort.

# WELCOME TO THE TEAM!

## Justin Malley

*Director of Finance & Accounting*

Justin is taking on the Director of Finance and Accounting role, one can find Justin in the Finance and Accounting office. With an impressive track record spanning over two decades in finance and operations, Justin brings a wealth of expertise and leadership to this pivotal role. In this capacity, Justin will serve as the chief financial strategist, overseeing all finance, accounting, and investment functions within Tahoe Donner. He joins Tahoe Donner with a robust background in finance and accounting, having spearheaded transformative initiatives and fostered sustainable growth throughout his career. His strong leadership skills, strategic acumen, and enthusiasm stood out during the search process.
