Meeting convened at 11:00 am

The meeting was called to review the topics for the candidates night forum for Saturday May 28th 6-9pm

We reviewed all the input and summarized the topics for the candidates to speak on and also the time allotted for each topic.

At 12:45pm we called Brent Collinson, Inspector of Elections to go over the timing of the topic responses and the plan for the evening. We all agreed on the plan and Patricia is going to get us the final outline and then we will give this to the candidates on Wednesday 5/25. It was agreed that after the forum we can send the candidates all of the topics and questions that we received from the members so they can review, we will not be adding the names of the members with the questions.

Steve will do the introduction on Saturday via zoom and Maureen will be on standby if he can't make it.

Meeting adjourned at 1:20pm
