Subject: LRPC Report on the Northwoods Campus

Attached for your review is the subject report. It was approved for transmittal to you by the LRPC at our August meeting and represents over 2 years of work by the Committee to gather, analyze and summarize member and staff opinions regarding the current and future desired states of the Northwoods Campus. The report is intended to provide you and the staff with data to be used in developing a master plan for the Campus.

We are available to discuss this report with you at your convenience if needed.
