WHY WE GIVE

Gabriela received a Tahoe Donner Giving Fund IMPACT Scholarship in June 2023 and is now finishing her freshman year at UCSC as a Plant Sciences major. As the first in her family to attend college, Gabriela is exploring her interest in habitat restoration with an internship working at Younger Lagoon Reserve. Her favorite class so far has been Introduction to Field Research and Inquiry. Gabriela told us, "I thank all of the generous TDGF donors for this opportunity." We thank Gabriela for choosing science because an investment in Gabriela is an investment in our planet's future.
